Late Prof. (Dr.) Satyajit Chakrabarti
President, IEM Group

ABOUT IEM GLOBAL SCHOOL

Institute of Engineering and Management Group, legends in the field of technical education in India, has established IEM Group of Schools with a vision to nurture children from Nursery to PG level using digital technology which will benefit them from a truly global dimension. IEM Group was established by the visionary Late Prof. Dr. Satyajit Chakrabarti who believed that education works best when teaching excellence combines with discipline and moral values. The group has also established University of Engineering and Management (UEM – Jaipur & UEM – Kolkata) campuses for offering higher education courses in Engineering, Management, Medicine, Law, Applied Science, Arts, Hotel Management and Post Doctoral Courses. Nestled in the heart of Salt Lake it provides a beautiful and spacious green environment.

As part of the IEM Group, at IEM Global School, we provide safe, caring and friendly environment where every child is valued and nurtured. Each pupil is encouraged to see themselves as part of the school community, where academics, technology, co-curricular activities, physical training combined with integrity and respect for other people are given due diligence.

VISION

To provide a safe and supportive atmosphere and to teach students the **important values of life that encourages excellence in all spheres.**

MISSION

To provide a **safe and homely atmosphere** and to teach students the **important values of life.**

OUR STATE-OF-THE-ART INFRASTRUCTURE AND FACILITIES:

Tech enabled spacious smart classrooms

Online Simulation lab

Unique email ID with school domain name

Modern Computer Lab with updated infrastructure

Learning Resource Centre Laboratory for All Subjects

Smart Interactive Digital Board - Touch-enabled Digital Learning screens

School Auditorium

Advanced STEAM Lab for AI, Robotics, and integrated STEAM Learning

Extensive library with a wide range of books

Infirmary with an on-call doctor and a dedicated nurse for first aid and medical care

Hygienic and comfortable cafeteria offering healthy refreshments

24x7 CCTV surveillance for comprehensive campus security

SCHOLASTIC ACTIVITIES

SCIENCE LAB

Our Science Lab provides a platform for students to excel in the subjects through hands-on experience by engaging themselves in practical classes that harbour scientific enquiry and curiosity.

SPORTS AREA

The School has a well-equipped sports room that helps the students to revitalise during school hours and develop long-term healthy lifestyles.

STEAM LAB

STEAM LABORATORY is wherever students can develop their Science, Technology, Engineering, Arts & Mathematics skills by using technology to create, collaborate, and complete projects—learning and applying knowledge to find new solutions.

SOF EXAMINATION

Internationally acclaimed Olympiad Examination enhances subject knowledge, promotes logical and analytical thinking, encourages healthy competition and boosts confidence and motivation.

COMPUTER LAB

Modern Computer Labs equipped with high-end computers, high-speed internet connectivity, and audiovisual aids help students and make learning easier.

GAMES & SPORTS

We provide opportunities in multiple sports activities that help the students gain confidence and experience fun-filled school time.

EI ASSET, EI CARE & MINDSPARK

EI ASSET: Offers insights into students' academic strengths and weaknesses, helping educators personalize learning strategies for better educational outcomes.

EI CARE: Ei Cares is an assessment tool that is based on school curriculum. It provides a feedback on the student's understanding of the curriculum.

Mindspark: An adaptive learning program that uses interactive methods to enhance understanding of core subjects, identifying knowledge gaps and providing tailored exercises.

SCHOOL CINEMA

School Cinema is a first-of-its-kind program in the world that has introduced film pedagogy to schools to support Social Emotional Learning, Life Skills, Mental Well-being, and Social Skills, creating future-ready students.

INTERACTIVE SMART BOARD

The integration of technology in education has transformed traditional teaching method. One such innovation is the Interactive Board TV, a versatile tool that combines the functionalities of a whiteboard, computer and projector. This device enhances the learning experiences by fostering interactive and engaging classroom environments.

TORRINS

Learning musical instruments offers numerous benefits, including enhanced cognitive skills, improved memory, increased creativity, and enhanced social and emotional development, making it a valuable pursuit for individuals of all ages.

LOGIQIDS

Logiqids is a first of its kind customized tool to enhance the Logical Reasoning skills in kids in the most structured way possible.

FOREIGN LANGUAGE CLUB

Foreign language education builds better learners, global citizens, and future professionals. It is an essential part of holistic education in modern schools.

WORKSHOPS

Workshop for children at regular intervals for regular upgradation. These sessions focus on skill enhancement, creativity, and overall growth. Regular participation helps in the steady upgradation of knowledge and confidence.

CO-SCHOLASTIC ACTIVITIES

LANGUAGE ROOM & ALS (Audio, Listening & Speaking Skill)

Public Speaking:

We are grooming the students to be the best version of themselves and fluent speakers with positive self-esteem.

Area of focus: Spoken English, Comprehension, Response, Grammar, Elocution, Debate and Presentation Skill.

Theatre:

Theatre stimulates students' creativity to find their own artistic expression. The programme enables students to express their emotions through a range of performances and caters to different kinds of learners through creative exploration, artistic expression, technical integration, and performance skills.

Music & Dance:

This programme helps the students to develop motor skills, enhance creativity, confidence and expression, promote brain development, kinesthetic learning, and provides basic introductions to jazz.

Experiential Learning / Hands-on Learning Classes:

Like pottery, gardening, shell craft, doll making, clay modeling, best out of waste, origami, art & craft.

Club Activities:

Club activities including 10 bag-less day activities.

Adventure Sports:

Adventure sports are thrilling outdoor activities that involve a high level of excitement and sometimes an element of risk. These sports include activities like rock climbing, trekking, river rafting, paragliding, skydiving, and scuba diving.

SCHOOL CLUB

At IEM Global School, we believe in nurturing holistic development through vibrant club activities that go beyond the classroom. Our wide range of clubs caters to diverse student interests and talents:

Music Club: Unleashing the rhythm and melody within every child.

Dance Club: Expressing stories through graceful moves and beats.

Sports Club: Building strength, spirit, and sportsmanship on the field.

Eco Club: Nurturing a greener, cleaner tomorrow.

Art Club: Bringing creativity to life through colors and craft.

Quiz Club: Fueling curiosity and a love for knowledge.

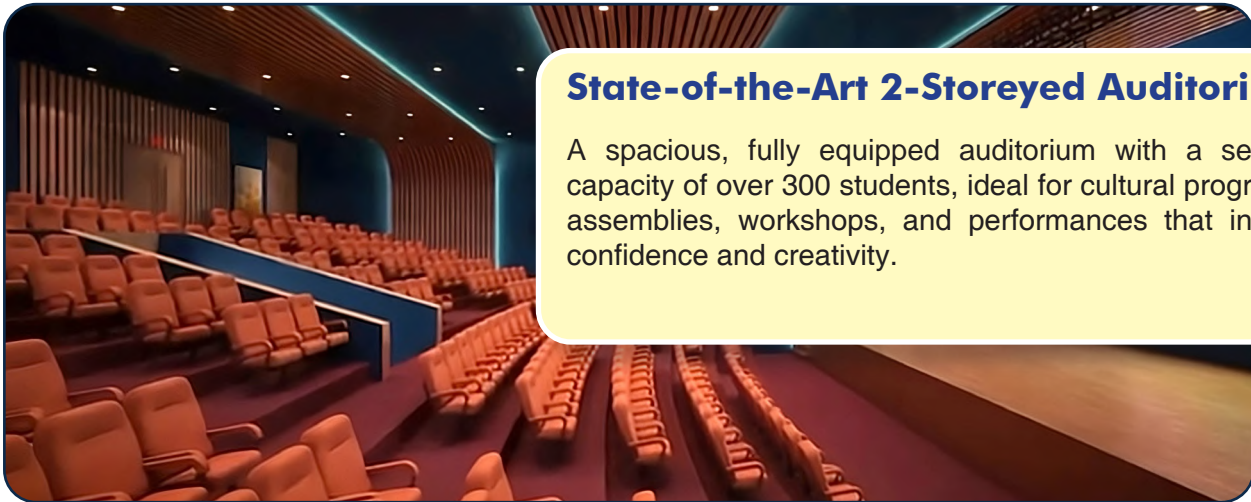

Literary & Drama Club: Igniting imagination with drama, debate, and powerful words.

Social Service Club: Fostering empathy through meaningful community actions.

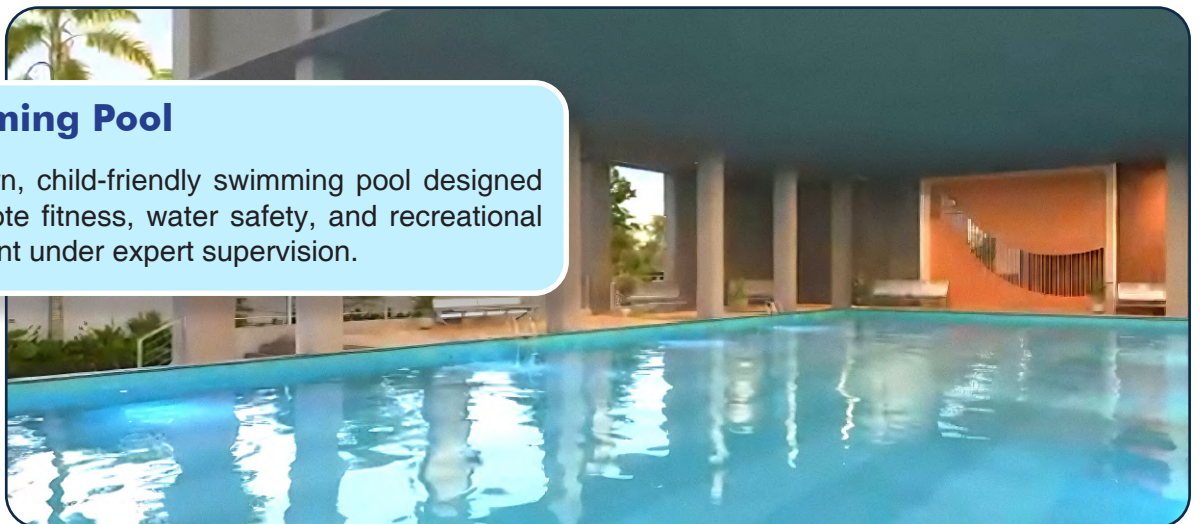

These clubs provide enriching experiences that shape confident, socially aware, and well-rounded individuals.

At IEM Global School, we believe in nurturing young minds in an environment that blends academic excellence with holistic development. Our world-class facilities ensure that every child explores their potential and builds a strong foundation for the future.

State-of-the-Art 2-Storeyed Auditorium

A spacious, fully equipped auditorium with a seating capacity of over 300 students, ideal for cultural programs, assemblies, workshops, and performances that inspire confidence and creativity.

Swimming Pool

A modern, child-friendly swimming pool designed to promote fitness, water safety, and recreational enjoyment under expert supervision.

Expansive Playground

A safe and vibrant open space that encourages physical activity, teamwork, and outdoor learning through structured games and free play.
